REQUEST FOR CORRECTION OF FORM PTOL-90A

The USPTO application file for this application contains a non-final Office Action with a putative Mail Room Date of August 14, 2007. The Office Action contains Form PTOL-90A. This paper requests that Form PTOL-90A be corrected.

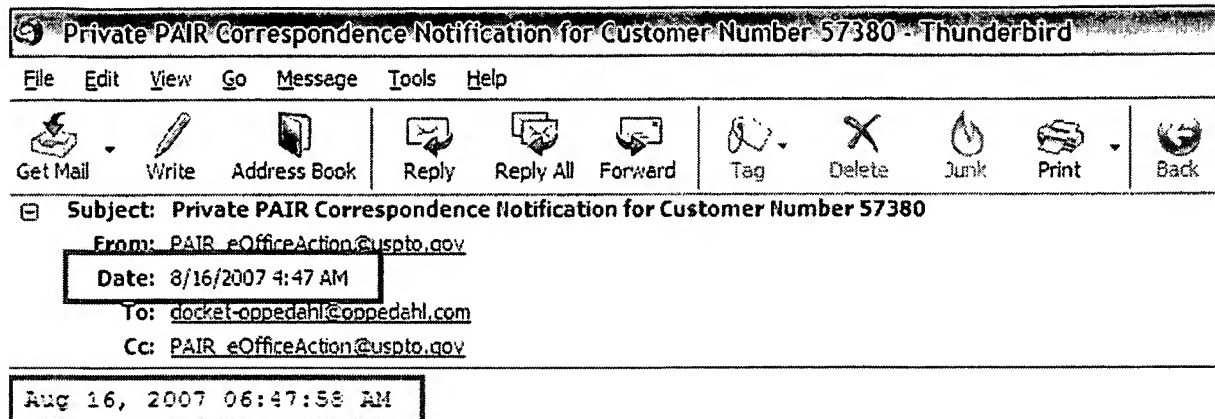

It may be seen that Form PTOL-90A recites a “notification date” of August 14, 2007. Form PTOL-90A further states

Notice of Office communication was sent electronically on above-indicated “Notification Date” to the following e-mail address: docket-oppedahl@oppedahl.com.

These statements in the Form PTOL-90A are incorrect. The date on which the email notice was sent is August 16, 2007. This may be plainly seen from the “Transaction History” in PAIR as quoted here:
